Since 1898

The Swatkins family has been manufacturing awards for five generations, over three centuries since 1898. Swatkins cups are handmade in England using traditional methods by skilled craftsmen and women with the finest materials available. Over the centuries Swatkins has designed and manufactured some of the world's most prestigious and famous awards, including Formula 1 for the British and Canadian Grand Prix events. Swatkins has also produced, under contract, replica awards for The British Open, The Wimbledon Tennis Trophies, The Ryder Cup and more.
